

NCSC Petition Process

Pursuant to Article IV, Section 3 (4) of the NCSC bylaws:

“In addition to the nominee(s) named by the nominating committee, other nominations of candidates for positions within a district may be made by petition of at least one-third of the members within the district and submitted to the Secretary-Treasurer of the Association at least 60 days prior to the annual meeting together with a statement of the nominee’s background, qualifications, availability and eligibility to serve, if elected. Notwithstanding the foregoing, only Class E members can nominate Class E directors, and only Class T members can nominate Class T directors.”

If you would like to have another candidate added to the slate of candidates in your district, you will need to comply with these requirements by successfully submitting a petition signed by at least one-third of the NCSC members and submitting those petitions to NCSC no later than April 16, 2026.
